Back to Church Sunday

10 am Sunday 28th September 2008.

This is an opportunity for each one of us to invite someone in our parish who have had some connection with the Church, to come back and see what they are missing. Those who have never been churchgoers are also welcome. The key to success is the personal invitation... this is easy & do-able! Prayer cards and invitations will be available – so start praying now for the person you will invite.

"Don't think you need a lot of extra equipment for this. You are the equipment. No special appeals for funds. Keep it simple." Mark 6:8 (The Message)

That is the essence and brilliance of Back To Church Sunday. It is one person inviting another person to come with them and attend a church service. It is not about glossy advertising or jazzy websites but using our personal relationships to bring people back to church.

People can always say no, but remember the power of invitation.

Last year over 20,000 people across the country came 'Back to Church.'
