Answered prayer for the Cloustons!

Many thanks for all your prayers, and for many encouraging messages we have received over the last couple of weeks, as Kitty had Dengue fever, followed by Eric a few days later. Kitty now seems to be fully recovered. Eric's blood tests have now also returned to normal, so he expects to get back to work next week. Dengue really is nasty! We thank God for prompt diagnosis and expert care at the Bangalore Baptist Hospital - and for so many excellent staff there who treat their medical work as mission for Jesus, as well as service for the patients. We have so much to thank God for! With our thanks and best wishes

Eric, Rhena, Kitty and Sam
